Yes

No

If you have answered 'Yes' to any of the above questions then please give further details.

5. CLINIC PROTOCOLS

I understand that although the clinic is implementing stringent hygiene and social distancing measures in order to reduce the risk of transmission of disease within the clinic, there can be no guarantee that this risk will be eradicated entirely

Yes

I understand that I can ask for a video/telephone appointment as an alternative to a face-to-face consultation in clinic if I would rather not attend clinic for a face-to-face consultation

Yes

I understand that a face-to-face consultation is likely to include close contact with the osteopath.

Yes

I understand that the osteopath will be wearing PPE such as a mask, apron and gloves and that I will also be required to wear a suitable face covering (which the clinic can provide if I don't have my own)

Yes

I understand that unless I require a chaperone I should attend clinic on my own wherever possible and anyone who is accompanying me should wait outside the clinic building where possible.

Yes

I understand that I should bring as little with me as possible (coats, bags etc.) into the clinic and that it would be preferable if I paid by card rather than cash

Yes

6. ATTENDING CLINIC

Considering all of the information above do you feel that you are happy to attend clinic for a face-to-face consultation at this time.

Yes I understand the risks and am happy to attend clinic

Possibly but I would like to speak to an osteopath to discuss my situation prior to attending clinic

No, I would rather have a video appointment than attend clinic at this time

No, I would rather not attend clinic at this time
